since it took only a handful of men to
97% of it is opposed to terrorism. But
this unattractive social system would be
develop separately from the mainstream
immigrants to France and Britain. The prog-
ress is now accelerating rapidly, not
so much because of the negative con-
siderations we have heard, but because
of the additional pressure created by
the influx of black and mixed-race
migrants arriving from the Commonwealth.
This is now a political fact of life, and
we can no longer ignore it.
